## Library

Our new library is now fully open and looking extremely inviting. Thank you to all those people who gave up their time to help us sort out all the books. We look forward to the children using it!

## Outdoor Learning Awards

We are very proud to announce that our school has received two very special awards; recognising our commitment and dedication to children learning in the outdoors.

The first of these is presented by The Woodland Trust and we are now recognised as a gold standard 'Green Tree School'. We now have a lovely wooden plaque, as above, in our entrance. The second is presented by The RSPB and we again received gold standard in their 'Wild Challenge'. This was achieved by all of the children taking part in an abundance of outdoor learning, creating powerful life experiences, as well as rich learning environments.

## Open Evening

A huge thank you to all who visited us on open evening and to those who volunteered to help in their class. It was wonderful to see new and current families. The evening was spent showing off all the exciting learning that has taken place so far this year. A special mention to the Musical Theatre Club who performed a scene from Annie and to our Head Girl and Head Boy for their interesting speech about school.

## **"Armistice"**

Year 5 and 6 are taking part in a spectacular performance and act of remembrance at Preston Guild Hall.

Tickets are available direct from Barnacre Road school for the Matinee and Evening performances.
