Year 6: Lewis

Super Citizen

Reception: Noah
Year 1: Catherine
Year 2: Hamish
Year 3: Oscar
Year 4: Daniel B
Year 5: Lenny
Year 6: Louis

Published Writer

Reception: Megan
Year 1: Maple
Year 2: Amaya
Year 3: Albert
Year 4: Jacob
Year 5: Alfie
Year 6: Ruby

Thanks

We would like to say a huge 'thank you' to the Tap & T'ales in Goosnargh for donating £70 to the school, to buy books for the new library.

This is very much appreciated and I know the children will enjoy reading the new books that this provides.

DANGEROUS MANOEUVERS

Sadly, this week we have had a **child injured** by a vehicle reversing around the area of the junction of Church Lane/ Goosnargh Lane/ Church Driveway.

A week before half term, one of our staff who had positioned herself in the middle of the road to stop traffic and allow the walking bus to cross safely, was swerved around by a car containing one of our parents who was unwilling to wait.

We have frequently asked that parents park well away from this area as many children arrive on foot or bike and scooter. It is **impossible** to bring your vehicle into this part of the village without needing to manoeuvre to leave.

It is time for all adults to stop and think of others. If you are bringing your vehicle into this area, it is both dangerous and selfish. Everyone is busy in the morning but your time is not of more value than the wellbeing of the children walking to school.

Please, please, please...

Walk if possible.

Park at the village hall,

Park well up Goosnargh Lane

Park at the Shops

Use our FREE walking bus

DO NOT bring your car where it will need to be reversed in this danger zone.

We work hard in school to teach our children to look after themselves **and** one another - please support these lessons by following the rules above and explaining to your child that you are leaving home earlier, parking further away walking a short distance to make **EVERYONE'S** journey to school safer.

Please contact Mrs Sant if you need further clarification. Thank you.

Oliversongs Choir New Meeting Time!

Oliversongs from next Friday (9th November) will be meeting at 3:20pm - 4:15pm on Friday afternoons.

We have lots of fantastic plans for the coming months and hope as many of our KS 2 children can join us as possible.

FRIDAY 9th November

GOOSNARGH'S GOT TALENT

Yes it's that time of year again! Get those instruments polished and the vocal chords warmed up as on **Friday 16th November** we will be holding our annual talent show! Children will receive a letter very soon with the entry slip and further details of the day.

We will be holding a cake sale and non-uniform day that day to raise funds for BBC's Children in Need.

Longridge Cluster Armistice Project

Our year 5 and 6 children and 5 of our staff will be appearing at the Guild Hall in 2 performances on Sunday 11th November at 1:30pm and 7:00pm
Tickets are still available.

This is promising to be a powerful, moving and entertaining event - if you would like tickets you can order them via the school office.

Coming up next week...

RECEPTION

In Literacy next week we will be using the story 'Owl Babies as our focus for lots of writing as well as use it to help us learn

more about nocturnal animals. We will be making bird feeders and writing instructions about how to make them.

Our number of the week is number 7. As well as recognising the numeral 7, we will also be thinking about addition within 7 and missing numbers to 7.

The children have all designed their own Christmas card, their designs are being sent home tonight. If you would like to order cards, gift tags etc. please can all orders be placed by next Friday.

This week, most children had the opportunity to visit our new school library where they chose a book to loan for the week. If your child has brought a library book home, please enjoying it, take good care of it and send it back to school ready for your child's next library session. If a library book is not returned your child will not be able to loan a new book.

Library is on the following days - **MONDAY - BLUE** **TUESDAY - YELLOW** **WEDNESDAY - RED** **THURSDAY - GREEN**

For Show-and-tell next week, please prepare something on: **'NOCTURNAL ANIMALS'**

MONDAY - GREEN **TUESDAY - BLUE** **WEDNESDAY - YELLOW** **THURSDAY - RED**

YEAR 1	YEAR 2
<p>Welcome back! We hope you all had a restful and enjoyable week off.</p> <p>This week Year 1 have been using the text 'Zog' by Julia Donaldson to inspire their work in Literacy. We will be continuing this next week, looking at repetitive language within the story and re-telling parts of the story. In Science we will continue with our seasonal observations, making the most of outdoor learning opportunities. RE will see the completion on the children's learning about 'Creation' and we will move on to The Christmas Story and Christian beliefs about Christmas- this will last the whole half term.</p> <p>In Y1 the children are challenged to complete number bond cards (number bonds to 10) and then move on to times tables cards so please practise these maths skills with them a little and often. They can also do the 10 book reading challenge where they can earn a star badge- just like our Literacy focus character Zog!</p> <p>Please continue to send in bottle tops; thank you for all those sent in so far.</p>	<p>Welcome back!</p> <p>We have worked really hard this week and it has been a fantastic start to our new topic - Fighting Fit.</p> <p>This week we have been revisiting traditional tales and focusing on repetitive language. We will be moving on to reading traditional tales with a twist. In maths we have started learning our multiplication facts. We will continue to focus on the 2, 5 and 10 times tables facts. It would be fantastic if you could help your child with becoming really secure with these facts, especially in random order.</p> <p>We have been looking at what Humans need for survival and next week we extend this learning through exploring healthy eating. The children will be taste testing a range of different fruits. RE is continuing to look at special books within different faiths for the next couple of weeks before moving on Good News and the Christmas story.</p> <p>Weekly spellings are on the website and I will continue to test the children on a Friday. My Maths homework will be set on a Friday to be completed for Tuesday please. Our new learning log is on our class page on the website.</p> <p>All children in Year 2 have been given their nativity scripts, please could you help them to learn their lines as we will begin rehearsals next week. Letters to follow shortly regarding costumes.</p> <p>Thank you for your continued support. Have a lovely weekend.</p>
YEAR 3	YEAR 4
<p>Welcome back Year 3 and well done for such a positive start.</p> <p>Next week we will be looking further at Fables in English and continuing to subtract with renaming in maths.</p> <p>We will be looking at jobs in our local area in Geography so please fill out your job questionnaires and bring them back in for Wednesday.</p> <p>In Science we are looking at the skeleton and nutrition.</p> <p>And don't forget to bring your letter back for our trip if you have not done so already - that is a day not to miss!</p>	<p>Welcome back, I hope you enjoyed a restful week with your family.</p> <p>The children have worked hard this week and have come back to school with the correct learning attitudes which is excellent.</p> <p>We are doing fantastically well collecting bottle tops- thank you! Please keep this up.</p> <p>For a separate project, a Christmas project, please could you start collecting milk bottles- 4 pint size. Please ensure that they are clean.</p>

Next week

English: using adverbials to create complex sentences.

Maths: multiplication

Topic: The Plague

Homework

- Reading every day including the written responses
- Times tables- 4s Including the inverse
- Spellings- the next 5 on the list
- My maths every Friday.
- Please check the website for our new learning log.

Have a lovely weekend!

YEAR 5

Welcome back all.

As mentioned previously, the topic for this half term is ‘Inventors and Inventions’. This encompasses all of our topics which shape up like this:

History: The importance of early Baghdad’s inventions

D & T: Creation of automata penguins

Science: Forces, inventions and discoveries

Class Novel: Charlie and The Chocolate Factory

English: Biography

Maths: Multiplication and Division

We have our final rehearsal and WWI workshop coming up on Wednesday, ready for the big performance on Sunday 11th, which we are really excited about.

The new 100% sheet is live on the website in the ‘homework’ tab, along with the other usual homework. Test your children and let them test you!

Also, please can you contribute any used, clean, plastic milk bottles (4-pints) along with a continued flow of bottle tops.

Thank you in advance!

YEAR 6

Welcome back Year 6. I hope you have had a restful week off and are back motivated to work hard.

Next Half term

English: Hyphens, Dashes, Colons and Semi-Colons.

Writing: Poppy poems

Maths: Roman numerals and sequences.

Science: body health

Also next week we are going to Longridge High School for a WW1 workshop in preparation for the Armistice Day project. Please remember to provide your child with a packed lunch and drink.

Homework

- Reading every day
- Complete their SATs Buster Books to be completed by Tuesday.
Number, Ratio and Algebra: 14-18.
Punctuation: 12-15
- Learning log - This can be found on our class webpage.
- Spellings - These can be found on the website.

Also, please can you contribute any used, clean, plastic milk bottles (4-pints). Thank you!

Miss Shepherd
