RECEPTION

Thank you all for coming to Parents' Evening. I hope you all found it as valuable as Mrs Lucas and I did. Your children have all worked incredibly hard this half term and I am so proud of each and everyone of them.

It's been a day of mixed emotions today - as I say 'Goodbye for now' but also look forward to what is ahead.

Thank you all so much for your support, kind wishes and thoughtful gifts and I am sure I will be around to see the children sometime in the near future. Mrs Lucas is very excited to start teaching this wonderful class of children and I know she will do an excellent job.

I hope you all have a restful and enjoyable half term.

Love Mrs Leech

Year 1	Year 2
<p>Well we've come to the end of another busy half term during which the children have once again excelled themselves. We hope you were all pleased with the feedback and book look on Parents Evening.</p> <p>Next half term we will be joined by Mrs Hayton on Mondays and Tuesdays and Mrs McCulloch will be Weds, Thurs, Fri. Please remember we are also both available by email and you are welcome to call in any time. Over half term I will upload the new Spellings (a letter has also gone home today with these) and the Learning Log. Following a review of the TT rockstars it has been decided that Y1 will not be accessing this resource at this point in the year as they are not yet ready for this level of multiplication and division work. We will review their knowledge later in the year and may start to use it then or they may be introduced to it in Y2. Please continue to practise times tables (10s, 2s, 5s) with your child as you have previously.</p> <p>It is our class assembly the first Friday back. If your child has been sent home with any lines, please could you practise these with them so they feel more confident. Everyone is welcome to the assembly, we hope to see you there!</p> <p>Have a wonderful half term!</p>	<p>Wow! The end of another half term and it has been a busy one! The children have worked hard learning about explorers, building a moon buggy, cooking pizza and tasting chinese food. Next half term will be just as busy for us.</p> <p>Over half term it would be great if the children could continue to read daily. If they would like to send any pictures about what they have got up to or do some writing to share with the class when we return that would be fantastic.</p> <p>Have a super half term!</p>
YEAR 3	YEAR 4
<p>This week we have been learning about the genre of 'discussion' in English - creating a balanced argument and trying to see both sides. This came in very handy when we received a letter from Mrs Sant cancelling the KS2 Production! Luckily, we have managed to put our arguments to her and she has agreed to let it go ahead - phew! Well done Year 3 for your wonderful writing - it really saved the day!</p> <p>Rehearsals will therefore start after half term. We have sent home the song words for you to learn over the break and links to the songs on youtube are on our class page of the website.</p> <p>In maths we completed 'measure' and moved onto problem solving involving measure. This will continue after half term.</p> <p>We have completed our 'Stone Age' topic now and look forward to seeing you all rested and refreshed after half term to move onto</p>	<p>This week, the children have written some fabulous news reports on a made up event that occurred in the Wonka factory. The children's imaginations are superb! You will have the chance to see this wonderful work displayed in the KS2 corridor.</p> <p>We have also brought our teeth unit to a close by discovering the outcomes of our investigations. Thank you to those who donated teeth and toothpastes!</p> <p>It is lovely to see and hear about the children's enthusiasm surround the Times Tables Rock Stars and I have already seen an improvement to their scores! :D Keep it up over the break!</p>

<p>'The Iron Man'.</p> <p>Have a lovely break with your families.</p>	<p>Please see in the main part of the newsletter about props for the production. The costume letter has been sent home with your child so please have your child's costume ready by the 4th March.</p> <p>Lastly, please see above regarding the Year 4 trip to Robinwood.</p> <p>After half term English: Issues and dilemma stories & SPAG recap Maths: Graphs RE: Exploring Easter Topic: Passport to Europe</p> <p>Thanks for your continued support with homework and the children's hard work in class! Enjoy a restful half term :)</p>
